TORONTO, Sept. 23, 2008 – Lone Eagle Entertainment, in association with E! Entertainment in Canada, are pleased to announce they have wrapped principal photography on season one of a hilarious new half-hour documentary series, **CARLAWOOD**, starring Canadian TV personality **CARLA COLLINS**.

“Carla has been a one woman comedy machine in Canada for 10 years. **CARLAWOOD** is the next chapter in her life as she arrives in LA to start it all over again. It’s fascinating, funny, with lots of dramatic twists... We think it will be addictive viewing when it launches on E! Canada in the new year”, says Lone Eagle Entertainment Executive Producer, Michael Geddes.

CARLAWOOD is a new documentary series with a twist. Think “Curb Your Enthusiasm” meets “My Life on the D-List”. This half-hour series follows beloved Canadian personality Carla Collins as she chases the Hollywood dream. Follow Carla inside the auditions, comedy gigs, celebrity-filled parties, and LA trends on her quest for a fabulous Hollywood career.

She’s got a new fiancé, a new green card, and a brand new agent. Now Carla’s ready to do everything and anything to get noticed. She’s got the talent, she’s got the chutzpah, and she’s got the plan. It’s all about knocking on the right doors, kicking ass, and taking lunch.

CARLAWOOD follows Carla’s last shot at making the big time, ‘cause in LA there are no second chances.

CARLA COLLINS is an award-winning comedian, actress and television host. Hailed as “The Queen of Comedy in Canada”, Carla is living it up in LA where she recently shot a pilot called “Sweeps Week News” for Jerry Zucker’s National Banana production company. Her new comedy stage show “Third Eye Blonde” debuted at the Malibu Stage Company Labor Day weekend. A talented actress, Carla starred as Rusty Sinclair on the campy soap *Paradise Falls* and has appeared in numerous movies of the week. She was also in the feature film *Caveman’s Valentine*. She has appeared on numerous series including Pax TV’s *Doc*, *Noggin’s*, *Degrassi: The Next Generation*, Oxygen/ Showcase’s *Show Me Yours*, *Tracker*, *Starhunter 2300* and *Screech Owls*.
