

UK cabsat home for The Call

Zone Vision's Reality TV channel has acquired exclusive UK cabsat rights to Canadian producer Lone Eagle Entertainment's 13-part reality series The Call.

Distributed by Screentime Partners, the show aired on Life Network in Canada earlier this year and is now rerunning on Alliance Atlantis' Independent Film Channel. It is scheduled to premiere on August 8, 2004 at 22.00 on Reality TV in the UK. The show focuses on three actors who are all vying for the same acting roles.
