

**Lone Eagle Entertainment announces production of second season of the original series  
CARLAWOOD starring CARLA COLLINS for TVtropolis**

**CARLA'S QUEST FOR FAME AND FORTUNE CONTINUES  
IN THE CITY OF ANGELS...**

**FOR IMMEDIATE RELEASE**

**TORONTO, October 14, 2009** – Lone Eagle Entertainment is pleased to announce that production has commenced on the second season of the hilarious half-hour documentary series, **Carlawood**, starring Canadian TV personality **Carla Collins**.

**Carla Collins** is back in the Canwest Original Production, **Carlawood** - a documentary series with a twist. Think "Curb Your Enthusiasm" meets "My Life on the D-List".

This half-hour series follows beloved Canadian comedian **Carla Collins** as she chases the Hollywood dream. Follow Carla inside the auditions, comedy gigs, celebrity-filled parties, and LA trends on her quest for a fabulous Hollywood career.

**Carlawood** documents Carla's life in Hollywood as she hits the audition circuit, performs at comedy clubs throughout L.A. and attends celebrity-filled parties. With husband Tyrone Power, Jr. (son of Hollywood royalty) in tow, Carla tries to navigate the eccentric and often surreal world.

Carla's substantial career spans over a decade, and while her profile in Canada is well established, she leaves it all behind to seek out her fame and fortune in the ever-fickle Tinseltown. Carla unabashedly shares with her fans the adventures (and misadventures) she experiences while paving her road to success in the craziness that is Hollywood.

"We are thrilled with our second season of **Carlawood**. Carla shines, and Canadians love following her journey in the City of Angels", said Lone Eagle Entertainment Executive Producer, Michael Geddes.

"Honest, charming and hilariously funny, it's great to welcome Carla back to TVtropolis. We have no doubt that season two of **Carlawood** will entertain viewers as they tune in each week to cheer Carla on in her quest to make it big in LA", added Vanessa Case, Vice President, Original Content, TVtropolis.

**CARLA COLLINS** is an award-winning comedian, actress and television host. Hailed as "The Queen of Comedy in Canada", Carla is living it up in LA where she recently shot a pilot called "Sweeps Week News" for Jerry Zucker's National Banana production company. Her new comedy stage show "Third Eye Blonde" debuted at the Malibu Stage Company Labor Day weekend. A talented actress, Carla starred as Rusty Sinclair on the campy soap *Paradise Falls* and has appeared in numerous movies of the week. She was also in the feature film *Caveman's Valentine*. She has appeared on numerous series including Pax TV's *Doc*, *Noggin's*, *Degrassi: The Next Generation*, *Oxygen/ Showcase's Show Me Yours*, *Tracker*, *Starhunter 2300* and *Screech Owls*.

**CARLAWOOD** is produced by Lone Eagle Entertainment. Season two will premiere on TVtropolis in Spring 2010.
