

FOR IMMEDIATE RELEASE

LONE EAGLE ENTERTAINMENT SCORES WITH TWO PRIMETIME ORIGINAL GAME SHOW CREATIONS THIS FALL.

(TORONTO, Canada – September 18th, 2006) Lone Eagle Entertainment Ltd. is proud to announce the company will have two stripped primetime game shows premiering this fall. With a total of 117 half hours of completed episodes, Lone Eagle has proven itself to be a dominant creative force in the red hot game show genre in Canada. Michael Geddes and Christopher Geddes of Lone Eagle will be attending MIPCOM in Cannes in October to shop the new formats in the international market.

Inside The Box, the new 65-episode game show series premieres on Monday, September 18, 2006 at 7:30 PM on TVtropolis. This stripped series is part of the new original programming slate for the rebranded CanWest Media network. The second season of **You Bet Your Ass** will begin its 52-episode run on The Comedy Network on Monday, October 9, 2006 at 7:30 PM, now airing as a daily strip Mondays - Thursdays.

Inside The Box is a high-tech race against the clock that immerses viewers in the content of iconic TV programming. Memorable shows, actors and TV characters come to life in pressure-filled half hours as three contestants compete against each other in a game to uncover answers and clues to the most popular shows from the past 30 years right up to today's hits. In each stand-alone episode, the leading player goes for broke in a final round, competing against the clock for a cash prize.

Hosted by Canuck comedian and quiz master Stewart Francis and his sexy sidekick Sitara Hewitt, **You Bet Your Ass** is a high octane trivia challenge catering to the knowledge base of the 'cool kids at school'. In each episode, contestants place bets on their knowledge of hilarious pop culture trivia in three wickedly funny question and answer rounds. The Wild Card provides more opportunity for contestants to add to their totals by stealing points from another player if they get the question right. In the new, final, bonus round, the winning contestant must wager on two skill-testing questions, with the opportunity to win a cash prize, or lose it all.

"We are excited to have two original primetime game show series that have launched as daily strips at MIPCOM. Lone Eagle leads this genre in Canada and we are proud of these very unique formats," said Michael Geddes, Executive Producer and President of Lone Eagle Entertainment. "We expect high interest for these series in a number of foreign markets."
